

COVID-19 Safety Protocols

As the state of Oregon and our nation continues the process of returning to normal, our biggest concern is still the safety, health and well-being of our team, customers and community at large. We will continue to do our part monitoring the pandemic by listening to the experts and following updated state guidelines.

Our hearts go out to those who have been adversely affected by the pandemic. We offer our continued gratitude to all on the front lines dealing with the public and to the healthcare professionals who have been fighting the virus everyday.

Hours May Change: Our regular office hours are usually Monday-Friday 10-4. Hours are subject to change due to inclement weather resulting in closure without notice. Please call to confirm that our office is open before heading out to shop location.

Deliveries: To keep delivery fees affordable, we will continue to consolidate deliveries once a week to office locations within a 35 mile radius of our shop location.

Order Pickups: Customers have the option to pickup their orders from the shop when arranged ahead of time. We have an area designated near our front entrance where orders can be received or items can be dropped off.

Special Updates/Promos: Subscribe to our emails to stay informed of any changes, discounts or other special offers.

Best Wishes for Your Good Health & Safety
